MEMORANDUM FOR: Assistant Director for Policy Coordination

FROM : Assistant Deputy Director (Plans)

SUBJECT

REFERENCE : Memorandum for Project Review Committee from ADPC,
same Subject, dated 5 October 1951.

25X1

1. In answer to the basic question raised in reference memorandum, i.e., do matters of this specific type need PRC action, I have determined from discussions with [redacted] that, under ordinary circumstances, they do not. Item 1 and Item 2 of your memorandum can be accomplished without reference to the PRC since there is no conflict between your recommendations and the report of the Administrative Services, CIA, and since these are normal expenditures [redacted]

25X1

2. A project calling for the expenditure of funds such as those required in Item 3 should be referred to this office for determination as to whether or not the matter must go to the PRC. It has been determined by [redacted] and myself that this item should go to PRC not only because of the amount of funds involved, but because of the policy question as to whether we should invest [redacted]

3. It is requested that a short memorandum-type project be prepared addressed through this office to PRC, requesting the funds [redacted] [redacted] as outlined in Item 3 of your memorandum. The request for increase in Quarters Allowance would not properly be part of this project and should be handled as a separate Administrative action.
